MESS FACILITY

Dear Parents

Greetings from DPS Nadergul!

The school is planning to start a mess facility to its students from August 1st onwards. The facility is to provide breakfast and lunch to students in the school premises. The food would be cooked in the canteen of the school.

The financial details regarding the cost of the breakfast and lunch will be shared with parents once we receive the consent form. Payment for mess would be taken term wise only.

Parents are requested to give their consent in the form given below by Monday for us to take a decision.

Regards

Ms. Padma Jyothi Turaga
Principal
