Dear Parents,

Greetings from Delhi Public School –Nadergul.

DPS believes in being green and promotes activities towards building a greener environment. We are happy to inform you that DPS is tied up with ITC the paper manufacturing company. The aim is to collect old newspapers, old waste paper and other materials to be given to ITC in exchange of new Class mate note books and stationery items which could be distributed to the students of government school. One student from each class would be awarded a certificate for collecting the maximum paper.

This initiative is covered over a period of one week from Tuesday 16th August 2016 to Saturday 20th August 2016. On Saturday the final amount of paper would be weighed and certificates given. Delhi Public School request all parents to join hands in making India clean and green.

Regards

**Ms. Padma Jyothi Turaga
Principal**
