Dear Parents

Greetings from DELHI PUBLIC SCHOOL Nadergul.,

This is to inform you that after taking a combined feedback from all parents, the school has decided to continue with the

“**IGNITOR – THE SMART TAB LEARNING SOLUTIONS**” for students of Grades V, VI and VII for this academic session also. This will help students and teachers engage in academic transactions in a much more refined manner. The TAB will contain digital textbooks, multi-media lessons as per school curriculum, pre-loaded tests and any other school material like worksheets, question banks etc., The initiative is to bring in a richer learning environment, reduce the bag load and engage the children in better learning throughout the year. The up gradation for the existing students will be a new micro SD card and software along with digital textbooks in the tab.

You are requested to contact Mr., Reddy – 9100213247, and Mr. Rakesh – 81795 14354 for further information regarding this.

**The team from “IGNITOR” will be available on Saturday i.e., 24th March, 2018 to clarify any further doubts in this regard.**

**You are requested to apply for a new SC card as soon as possible for the content to be readied.**

Regards

**Ms. Padma Jyothi Turaga**

**Principal**
