It's examination time. Requesting all parents to follow the tips for your child to fare better in the ensuing exams.

1. Good Healthy Home cooked food works wonders.
2. Ensure your child sleeps for 8 hours, as good sleep makes them feel fresh.
3. Examinations are only one step in the child's progress. Do not pressurise or compare them with others at this juncture.
4. Plan and follow a revision schedule of at least 1 hour in the morning and 1-3 hours depending (upon the class) in the evening time.
5. Mnemonic devices, Diagrammatic representations, Flow charts will help the child to remember better.
6. Please follow the schedule given for all exams (Refer to Almanac).
7. All examination days are full working days. However if you wish that your child should be sent half day please inform the respective class teacher.
8. All children who require academic support and are in remedial class will stay back full day for the exams.
9. All non- exam days are holidays. However if you are interested to send your child for academic support you may drop & pick the child accordingly. School transport will not be available during non- exam days.
