Dear Parent, Greetings from Delhi Public School, Nadergul!!!!

School is committed to the safety and security of the students at all times. We have observed the children travelling by Own transport (mini vans) and would like to inform you that these vans are driven very fast most of the times. Some of the private vans do not have doors and windows properly locked. The capacity of seats are also increased by making the children sit on stools. It is also observed that the drivers of the private vehicles keep changing and it is difficult on our part to ensure the safety and security of the children travelling by these vans. The private vehicles also do not have any attenders to ensure the safety of children.

Keeping the above points in mind, school once again wishes to inform you that we have taken smaller buses (32 seater) and have also reworked on the transport slabs to provide maximum benefits to the parents and the children. We request you to kindly consider the safety of the children and opt for school transport, which is a safer mode of transport. Please feel free to contact Mr. VenuGopal Reddy : 7337329950 or Mr. Venkat : 7989423982 for any further information or details in this matter.
